“ I will miss you dearly, and I'll love you for always. Thank you for always being there for Mom, and for all of us. I'm grateful you were able to come to Georgia when I was so little, and you (along with Jay, Tommy, Brad, Robyn and Suzy) are an integral and indispensible part of my life.

“ Betty was a wonderful Friend who always made you laugh! She was so inspirational and always had great advice to share. Betty was a great cook/baker and loved to share her recipes. My heart is breaking because I miss her so much but I know that she has a Heavenly Body now and can see! Betty shared her faith when she could and she is in Heaven's Choir. My prayers go out to the families and I love you all dearly

“ You could not have a better friend than Betty. Her life was spent taking care of her family, friends and patients. She was inspirational in the way she lived her life always moving up and onward with courage, love, a smile and a helping hand for others. It is hard to believe she is not just a phone call away, but I know she is happy and at peace in the presence of her Savior. Her loved ones are in my prayers.
