Mrs. Donna Maria Conner Bradley, a native and lifelong resident of Bulloch County, was born on January 9, 1970, and completed her work in this life on June 30th, 2020. A loving wife and devoted mother to her four children, Donna's greatest joy was the family that she built with the high school sweetheart and husband of 25 years, Dudley Bradley, Jr. Donna would say that her interests were whatever her children found interesting- from science experiments to animals to music. Her support and encouragement for each of them in the varied fields they chose to pursue was unwavering and never - ending.

A graduate of Statesboro High School, she received her degree in mathematics education from Georgia Southern University in 1992. She worked as a teacher at Pinewood Christian Academy in Bellville and was employed for a number of years by BB&T, formerly First Bulloch Bank, where she was known for her big smile and genuine interest in her customers. Donna was a member of Crossroads Community Church in Statesboro. She was preceded in death by her mother, Inez Miller Conner, and her father-in-law, Dudley Bradley, Sr.

In addition to her beloved husband, she is survived by her four children, Logan Bradley, Lucy Bradley, Hannah Bradley and Hudson Bradley, all of Brooklet; her father and step mother, Donnie and Susan Conner of Brooklet; her brother and sister-in-law and their children, Shawn and Jamie Conner and Coleman and Colby Conner all of Brooklet; her mother-in-law, Doris Bradley of Statesboro; sisters-in-law, Diane Jones, Debbie Henline and Donna and Glenn Hendrix; a brother-in-law and sister-in-law, Douglas and Terri Bradley; two step sisters, JJ Wiggins and husband Jody of Statesboro and Kimberly Newton of Statesboro. She is also survived by a large extended family of aunts, uncles and cousins.

A private Family visitation and funeral will be held in the chapel of Joiner-Anderson Funeral Home with Pastor Carey Swanson and Elder John Scott officiating.

Interment will be in Bulloch memorial Gardens.

Pallbearers will be Doug Bradley, Glenn Hendrix, Coleman Conner and Colby Conner.

“ Donna was one of the sweetest, most loving, caring person I have ever known. She always has called me Aunt (Aint) Mandy and the last time I hugged and loved on her at BB&T, she still called me that and told me she loved me as I did her. I pray for Dudley and their precious children, Donnie and Susan, Shawn and his precious family and her extended family. As sad as it is, all of you will have such sweet, precious memories of her love for Jesus and for all of you. Go rest high on that mountain, sweetness. Aint Mandy has always loved you and always will.

“ Donna was a joy to be around and it saddens me to hear of her passing. I knew both her mom (before her passing) and dad well and remember Donna as a child. Her mother-in-law is a cousin. Love and prayers go out to all the family.

“ Donna was a wonderful high school and college and lifelong friend to me. We were in each other’s weddings and went on countless trips and double dates with our boyfriends together (her always having the same boyfriend-Dudley. I changed up a few times. Lol) My best memory with Donna was what we fondly referred to as the “ALL DAY DATE”. Dudley and my then boyfriend Kenny, (my now longtime friend) planned a full day of amazing mini- dates preceded by a poem so creative and rhymed with directions from what to wear and hints of what the day held. 1st, Donna and I went shopping for a new outfit. The guys picked us up and took us blindfolded to Debbie and Donna’s house where they had outdone themselves with cooking and serving like waitresses the best, most elaborate breakfast two girls could wish for! They took us to a park where we played like young children on slides and the guys pushed us on swings. We played a game of baseball until I got hit between the eyes and we laughed like crazy. They then took us to Dudley’s uncles’ cabin and grilled out for us while we took the time to make up a funny dance to a song for them. We laughed and laughed. Then we ate these awesome burgers. Then they took us back to Donna’s and we were to put on our Sunday best and all the makeup and THE HAIR -(which all rhymed in the directions). They picked us up (dressed up with roses in their mouths) and me and Donna blushing in our prettiest satiny dresses and pumps. They opened the doors for us to get in Dudley’s Dadd’s blue Lincoln towncar. They drove us to Savannah to a fancy Restaurant where we ate a fancy meal and danced the night away to a live band. I had never done that in all my Church of God life There have not been many days in my life that could rival that day. All the tears I have can’t hold a candle to the laughs I had with Donna Maria Conner Bradley who I lovingly refer to as Conna Conna and she called me Lynnard!
