“ My heart is breaking for losing a good friend. I have a lot of memories with Eileen from going to the Luke Brian concert in Claxton to her and Pete giving me a job delivery Savannah Morning News papers. The memories didn't stop there. I'm not gonna list all of them. Eileen was one of the most caring people I've ever met. She loved her family with everything she had. Pete, Pebe, Chance, Laura, and Tyler and Laureen, and Charlene- thank you for sharing your wife, mama and sister with me. I love y'all and I'm here for y'all. I love you Eileen.

“ We are truly sorry for the loss of your precious Mother. She was one of the kindest ladies and had a genuine heart and love for others. She was so respected by many and it shows in how she loved and raised her children. She did an amazing job because it shows through you. I'm sorry we cannot be with you tomorrow as I will be burying my own twin sister and last and one in my family. So, I do understand what you are going through and rest assured of the many prayers I will be lifting up for you all in the coming days. And, you know we are here for you if you need anything. Our whole family loves you!!!
