“ Emory Golden will always be missed by those who knew him. He was a giving person who truly loved to bring happiness and joy to others. As his twin niece and nephew, we were fortunate to have him as our uncle. He gave so much to us. Boat rides, fishing and squirrel hunting are just some of the great things he would do with his nephew, the only Golden grandson. For all of us, he would have sleepovers at his house, make homemade icecream, and take us for lake picnics. While growing up, he made sure that all the kids had great fun and great memories. He maintained his relationship with all of his extended family. Last summer, he and Carolyn drove over 3 hours to eat and boat with us on Lake Harding.

After retiring from Warner Robins Air Force Base, Uncle Emory took a job driving the transport van for the State Crime Lab. This "part time" job gave him many 50 to 60 hour weeks. He loved it, and they loved him. The medical examiner's staff developed great friendships with Uncle Emory and spoke fondly of him.

Uncle Emory was always a giving person with a big heart for others. We learned by the example of our great uncle. He definitely showed all of us how to have a wonderful christian life full of warm relationships and love for others.

“ It was while I fishing on 7/19/20 that I thought of my fishing trips with Emory to Lake Oconee in the early 1980's. Rest in Peace Emory.
