“ So sorry to hear that Ms Gloria has passed. In looking at this picture, I don't think she aged any. I will always remember riding with her when Patricia was a baby and I was holding her in my lap (back before the car seat restrictions) and Patricia got fussy - your momma just pulled the keys out of the ignition (while we were going down the road) an handed them to her to play with... Needless the panic I felt that the steering wheel would lock in place. Prayers for peace for all of you

“ I am so sorry for the family's loss. I have such wonderful memories spending Friday nights over at the Jenkins house. Ms Gloria worked so hard in her church and she was a cool band mom. Our loss is heaven's gain.
