“ I just found out the sad news of Lynette’s passing. I will never forget the southern hospitality Lynette & Marvin showed my Mom when she lived in Georgia. I still remember the great fried chicken dinner! I am sorry to hear about this sad news. I just let my family know & they are sad as well. Rest in peace, Mrs. Martin! -Love, Seara, Leo and HJ “Sunny” Moon

“ Dana I worked with your mom at Folkston nursing home when your parents were hoping and waiting for a child to make their family complete . You were such a joy to your mom and I know you will be a comfort to your dad. Your mom was also a special friend to our children Eddy and Iona. God bless Marvin you and your family in your grief and give you comfort. Marsha and Jim Davis Folkston

I hope You & Mama are fishing together because you both loved it.Tell them about the lives of their Grandchildren and their precious great Grandkids,they would be so proud.I know your homecoming and to be in the presence of Jesus is the best thing that will happen to us.Walk now on the streets of gold and now you can be free of all your pain.Now I will say goodbye to our oldest Sister until we meet again on that Golden Shore.Love the second sister Paulette.

“ Until we meet again...

Aunt Lynette,

I wish you were here! I know Heaven is a beautiful place and you're with Nannie and Papa smiling down on us. I know that you left this world before I could see that beautiful smile again, and hear you calling me and Wade your Boos, telling me about Jennifer and Julie getting lost trying to find doughnuts, telling me about you talking with Aunt Charlene about Big Brother After Dark until 4 a.m., telling Wade to quit that lying and to stop eating all that salt, talking about Big Brother one-on-one on t.v., the water balloons me and Dana had in the bathtub, the baby sun suits you got for me when I was a baby, talking about mom and dad on vacation with you in the mountains, me and Wade seeing and talking with you on Face Time talking about tomatoes, grapefruit, and the garden that you planted. Those were some good memories that I will never forget!

God has different plans for all of us, and I know, Aunt Lynette, that he was ready for his new angel! You deserve those wings. You were such a survivor in this world, more than I could ever be, especially with all that you went through with the pain, but you never once gave up on life.

Those special memories of you will always bring a smile to my face and soul! If only I could have you back just for a little while...

Again, I will sorely miss hearing that voice on Face Time, seeing that smile, laughing with you, and reminiscing about old times. I will forever anticipate another chat with you!

You always meant so very much to me!

The fact that you're no longer here will always cause me pain, but you're forever in my heart!

Until we meet again ...

Your Nephew,
Your Boo,

Jamie

“ Lynette and I worked together for 6 years at Bethune Elementary school. I can honestly say that there are a lot of people in Folkston that know their timetables because of her persistence,determination and heart. I can still see her sitting at her desk surrounded by children. She believed in them, sometimes before they believed in themselves. Rest In Peace, Lynette.

“ I remember as a child, Dad and Mom would load us up in the car and we would head out to see Dorothy and Moody Sr. in Kingsland. I remember Lynette was always so sweet and soft spoken. She had a kind heart and a loving spirit. I know that her family loved her very much and will miss her presents in their lives. I pray that God will wrap his loving arms around all of them during their time of mourning. Rest in peace Lynette. Always Nita Riles
