“ Robert you were one of my dearest friends in Saigon, we have had so many fun times and you always cracked me up with your humor and one of the rare friends where you could talk about everything and you made a huge impact everywhere you went in a positive way. Am so sorry you had to go through this ordeal and that you had to check out so early. Whenever i put in The Cure or Depeche Mode i will send a cheer to you buddy and we will meet again one day. My deepest condolences to the family and many are mourning with you in this tough time.

“ Charlene, Tom, Austin and Gabe... With deepest condolences, our hearts go out to you at this time.

When I came to visit Charlene in 2018, Robbie flew all the way home from Vietnam just to join us for a Bahama's Cruise. It was a great mini vacation and it was wonderful to see Robbie then. Never in my life did I think that would be the last time. RIP Robbie. You are in good hands now. Robbie sure will be missed, he was taken from us too soon.

Sending you all love.
